All horses need care givers, but thousands of horses each year become at risk for neglect, abuse, and the slaughter pipeline simply because they fall through the cracks when transitioning from one owner or one job to another.

EQUUS Foundation Equine Ambassadors are horses whose owners make a \$50 donation in the name of their horse to help ensure that all horses are safe, healthy, and treated with dignity as partners. There's no greater gift you can give than to have your equine partner pay it forward as an Equine Ambassador.

HUNTER DIVISION

HUNTER DIVISION

Week 1 is a World Championship Hunter Rider Program competition

Hunter sections may be run as back-to-back classes at management's discretion (HU125). When classes are run back-to-back, exhibitors may perform both rounds before leaving the ring. All classes will be judged on performance and soundness unless otherwise indicated. Starting orders will be produced and run in accordance with USEF Rule HU126. Courses will simulate fences found in the hunting field such as: brush, wall, in and out, oxer, post and rails, gate, aiken, panels. Individual hunter classes may be entered for 20% of the prize money offered in that class unless otherwise specified.

In all rated hunter sections a numerical score will be given by the judges.

In all classes over obstacles, all horses being considered for an award must jog for soundness using either Option A or Option B below. Management must state in the competition prize list which method of jogging will be used. Horses/ponies that are unsound will be eliminated and ineligible for an award in that class. The judge's decision regarding soundness is final.

Option A: Horses/ponies are required to trot a circle on a loose rein at the end of each over fences performance. Horses/ponies may be asked to return to the ring and trot another circle at the judge's discretion.

Option B: Horses/ponies will be jogged together with the rider unmounted in the judge's order of preference. Two additional entries in addition to the number of ribbons must jog if there are sufficient entries. Horses/ponies may be asked to re-jog at the judge's discretion. A horse/pony may not leave the ring until the job has been declared official by the judge, or it will be eliminated. A horse that is unruly, one that breaks away from the handler or one whose actions threaten to endanger the rider, handler, other exhibitors or their entries will be eliminated. (Exception: Hunter Breeding and Pony Breeding). A horse may not be eliminated for receiving outside assistance in the jog. In classes restricted to ponies a junior must jog the pony for soundness.

See Page 72 for Zone 5 Specifications.

Tuesday Warm-Up's will be held in the Highstreet Arena and GGT Footing Hunter Ring 2 for \$45 per round.

- E. Money won will only count for any USHJA National Hunter Derby standings or awards if the rider, owner and trainer are current Active members of USEF and USHJA, and the horse is registered with USHJA.
- F. Competition management is required to run the class if there are twelve (12) or more entries. They may choose to run the class with twelve (12) or less entries.
- G. The number of horses a rider can compete in a National Hunter Derby may be limited if so specified in the prize list.
- H. The prize list may specify that in order to be eligible to compete in a National Hunter Derby, a horse must compete in one (1) or two (2) classes at the same competition.
- I. The same horse may not compete in the USHJA National Hunter Derby and the USHJA International Hunter Derby at the same competition.
- J. Competing in the USHJA National Hunter Derby does not qualify a horse or rider for the USHJA International Hunter Derby Championship.
- K. Soundness -Horses entered in this class will NOT be required to jog for soundness. All horses are required to trot a circle on a loose rein at the end of the over fences phase listed below. Horses may be asked to return to the ring and trot another circle at the judge's discretion. Judges have the authority to disqualify a horse if deemed unsound. Any unsoundness during the competition will be reflected in the scores from the judges (GR1033.6).
 - a. Traditional Format – Horses must trot for soundness at the conclusion of the Classic Round. If the class is held over two days, horses are required to trot a circle on a loose rein at the end of both Classic and Handy Rounds.

Judging System

- A. Each class may have the option of having either one (1) or two (2) panels of judges. Each panel will consist of two (2) judges sitting together. One (1) judge on each panel must be a USEF "R" judge, the other judge on each panel may be either a USEF "R" or USEF "r" judge. Each panel will provide one (1) score for each round. See "E" for calculating the Overall Score. Management may choose to run a standard formatted Derby with fifteen (15) or fewer entries with one USEF (R) judge.
- B. No panel may award the same base score to any two (2) competitors in any one round unless a competitor's score is below the cut-off score. A numerical score must be given and may be a duplicate score if it is under the cut-off.
- C. The first round shall be judged on performance, hunter pace, jumping style, quality and substance, and movement. After the judge(s) base score is given, one (1) point will be added for each high option fence jumped. The Option Bonus Score of one additional point must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence. (Maximum of four points.)
- D. The second round shall be judged on performance, hunter pace, jumping style, quality and substance, movement, handiness and brilliance of pace. Handiness is defined as ground saving movement without adversely affecting performance or style. Brilliance of pace is defined as a faster pace than ordinary, without sacrificing performance or style. Handiness is taken into account in the judges' base score. After the judge(s)' base score is given, one (1) point will be added for each high option fence jumped. The Option Bonus Score of one additional point must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence. (Maximum of four points.)
- E. Overall Score - The final score from each round (3'0" with 3'5" options) will be added to obtain the overall total for each horse.
- F. Hunt and Go - *Please note this Hunt and Go is judged differently than the International Hunter Derby Hunt and Go.

Tie Breaking Procedures

- A. No judge or panel may award the same base score to any two competitors in any one round unless a competitor's score is below the cut-off score.
- B. Any ties in all rounds will be broken by the base score (before adding height bonus points) of that round.
- C. Unless the prize list states that more than 12 entries are to return for the second round, only the top 12 horses from the first round, after all ties are broken, are eligible to return for the second round.
- D. All ties for overall first place in the class will compete in a jump-off round. In the case of unsafe conditions preventing a jump-off from being held, the tie will be broken using the second round base score (before adding height bonus points).
- E. Ties for other than first place in the overall standings will be broken using the second round base score (before adding height bonus points).
- F. Prior to the start of the class, if two judging panels are used, one panel must be designated as the tie breaking panel for the first round and another panel must be designated as the tie breaking panel for the second round. The tie breaking panel for the first round will also be designated as the tie breaking panel for the jump-off round.

Schooling

- A. During the two rounds of the National Hunter Derby, all horses entered must be ridden in official horse show schooling areas unless Management designates a specific schooling area for National Hunter Derby horses. B. Classic Hunter Style Course (First Round)

1. A minimum of nine obstacles must be offered in the Classic Hunter Round.
2. At least one bending line.
3. At least one line with an unrelated distance.
4. At least one long approach.

C. Handy Hunter Course (Second Round)

1. A minimum of seven obstacles must be offered in the Handy Hunter Round.
2. The course should simulate riding over hunt country and must include a minimum of two handy options, such as: tight turn options, different tracks, clever options for jump approaches, pen type obstacles, hand gallop a jump, trot a lowered obstacle not to exceed 2'0" in height, halt and/or back. Leading over an obstacle and opening and/or closing a gate(s) while mounted or not mounted is not permitted. Gimmicky options are not appropriate.
3. Unless the prize list states that more than 12 entries are to return for the second round, then only the top 12 from the first round are eligible to return for the second round.

D. Hunt and Go

Alternatively, the Hunt and Go option may be utilized in lieu of the traditional format. The Hunt and Go format will consist of two (2) phases, one (1) Classic Hunter and one (1) Handy Hunter. The phases will be jumped consecutively. All participants will complete both the Classic and the Handy portions even if penalties (rails, refusals, etc.) are incurred. Major penalties (falls, 3 refusals, off course, etc.) will be combined from the Classic and Handy rounds and will result in elimination. (i.e. a horse who has two refusals in the Classic Round will be eliminated after one refusal in the preceding Handy Round.)

1. Standard Hunt and Go Format

a. The Classic Hunter Round, consisting of five to seven (5-7) fences with two (2) high options, shall be judged on quality, movement, jumping style, manners and way of going.

b. After the completion of the classic round horses will pick up their pace and pass

through a set of markers to begin their handy portion of the class. Riders are not permitted to walk or pause between rounds. The Handy Hunter Round, consisting of five to seven (5-7) with two (2) high options, shall be judged on quality, movement, jumping style, manners and way of going. Pace, brilliance, and a shorter track are to be rewarded. A horse/rider may not jump decorations or other obstacles in order to create a shorter track.

c. Two (2) judges are required to judge the class. Each judge will be designated either the Classic Hunter Phase or the Handy Hunter Phase. Each will provide a single score for their designated phase, in addition to the Bonus points of one point per high option jump that will be added to each judging's score. The scores from each judge will be added together to determine the total score and placement.

d. A judging assistant may be present during all phases of the competition. The duties of the judging assistant include notifying the Judges if a rail comes down and when a horse jumps the higher height option fences. The judging assistant is not required to be a licensed official and is not responsible for the scoring of the judging panels. A competition staff member may fill this role.

e. The Option Bonus Score of one (1) additional point for each higher height option fence jumped must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse- and-rider combination does jump the higher height option fence.

f. For the Hunt and Go Format it is recommended that the judge designated to the Classic Hunter phase be the tie breaker.

Tie Breaking Procedures

A. No panel may award the same base score to any two competitors in any one round unless a competitor's score is below the cut-off score.

B. Any ties in all rounds will be broken by the base score of that round.

Performance Hunter and High Performance Hunter.

a. Number to hold separate sections: Performance, four (4) and High Performance, three (3). If four (4) compete and only three (3) complete (i.e. one is eliminated or retires) points will be awarded as per GR 1113.

b. Combining

1. At all licensed competitions, if there are fewer than four entries in either the Performance Hunter 3'3" or Performance Hunter 3'6" they must be combined, but they cannot be combined with any other Hunter sections, except High Performance Hunter. If there are four or more entries in each Performance Hunter section, they must be held separately. If the Performance Hunter 3'6" and the Performance Hunter 3'3" sections have fewer than three entries after they have been combined they may be further combined with the High Performance Hunter section.

2. If there are fewer than three entries in the High Performance Hunter section it must first be combined with the Performance Hunter 3'6" section or the Green Hunter 3'9" section (or with Green Hunter 3'6"/3'9" if offered combined). If the High Performance Hunter section is combined with the Performance Hunter 3'6" section it may then further be combined with the Performance Hunter 3'3" section, but may not be combined with the Green Hunter section(s).

3. When the High Performance Hunter section is combined with the Performance Hunter section the following applies:

a. When combining High Performance Hunter with Performance Hunters, the combined sections must offer the same number of classes offered by the Performance Hunter section(s) with which it is combined.

b. When combining High Performance Hunter with another section, if different amounts of prize money or entry fees were offered in the original sections, the combined sections will use the lower amount for both prize money and entry fees.

4. When the High Performance Hunter section is combined with the Green Hunter section the following applies:

a. If, after combining, there are still fewer than three entries in the combined section, it must be further combined with the Green Hunter 3'6" section

b. If combined Green Hunter sections have fewer than three entries, they must be combined with High Performance Working Hunter.

c. A horse that is eligible for more than one section must be declared and compete in only one. Horses will jump the respective height for the entered section.

d. When combining High Performance Working Hunter with another section, if different amounts of prize money or entry fees were offered in the original sections, the combined sections will use the lower amount for both prize money and entry fees.

e. When combining a section of High Performance Hunter with either a section of Green Hunter 3'6", Green Hunter 3'9", or both, the combined sections must offer the same number of classes offered by the Green Hunter section(s) with which it is combined. In addition, a section entry fee will be required and individual classes may no longer be entered for the combined section.

f. The High Performance Hunter section may be combined with a combined Green Hunter 3'6"/3'9" section but may not be combined with any Green Hunter 3'3" or 3'0 sections.

c. Dividing:

1. In Performance Hunter, High Performance Hunter and any other sections where individual classes may be entered, the sections may only be divided after thirty (30) horses have competed in the first over fences class. Subsequent classes may be divided once twelve (12) horses have competed in each class. For Championships, see HU154.

Green Hunter

b. Combining:

1. Green Hunter section(s) may not be combined with any other hunter section(s). (Exception: The High Performance Hunter section may be combined with the Green Hunter 3'6" and 3'9" sections, see HU164.1)

2. Regardless of competition rating, each Green Hunter section that is offered separately must be held separately when there is a minimum of three entries.

3. If there are fewer than three entries in a Green Hunter section, that section must be combined with a contiguous fence height section of the Green Hunter.

4. If, after combining, there are still fewer than three (3) entries in the combined section, it must be further combined with the next contiguous fence height section of the Green Hunter.

5. In the case where there are no entries in the fence height section that bridges the gap between the two non-contiguous fence height sections those two non-contiguous fence height sections may be combined.

6. If Premier or National rated Green Hunter 3'0" and/or 3'3" sections are combined with Premier or National rated Green Hunter 3'6" and/or Green Hunter 3'9" sections a Handy Hunter class is not required. The combined sections must meet class number requirements for Premier or National rated Green Hunter 3'6" and Green Hunter 3'9" and use the lower amount for both prize money and entry fees.

7. When the High Performance Hunter section is combined with the Green Hunter section the following applies:

a. If, after combining, there are still fewer than three entries in the combined section, it must be further combined with the Green Hunter 3'6" section

c. A horse that is eligible for more than one section must be declared and compete in only one. Horses will jump the respective height for the entered section.

e. When combining a section of High Performance Hunter with either a section of Green Hunter 3'6", Green Hunter 3'9", or both, the combined sections must offer the same number of classes offered by the Green Hunter section(s) with which it is combined. In addition, a section entry fee will be required and individual classes may no longer be entered for the combined section.

f. The High Performance Hunter section may be combined with a combined Green Hunter 3'6"/3'9" section but may not be combined with any Green Hunter 3'3" or 3'0 sections.

c. Dividing:

1. Regardless of competition rating, any Green Hunter section that is offered combined must be split by fence height, and sections held separately when there is a

minimum of three entries in any one fence height section provided at least three (3) entries remain in each of the other two sections, which would also be held separately, or as one other combined section. Contiguous fence height sections should be combined before combining non-contiguous fence height sections.

Young Hunter

a. Number to hold separate sections: three (3). b. Combining:

1. Young Hunter section(s) may not be combined with any other Hunter section.

2. At Competition Management's discretion, and with at least three (3) Young Hunters entered in any section, the Young Hunter Section(s) may run concurrently with the corresponding Green Hunter height section or Combined Green Hunter Section. Horses that are entered in both the Young Hunter and Green Hunter section(s) will be eligible for awards in both sections. Horses that are not entered in both sections will only be eligible for awards in the section in which they are entered. If there are fewer than three (3) entries in any of the Young Hunter section(s) they must be combined for awards per HU166.3. A separate entry fee for the Young Hunter Section will apply. The Green Hunter section requirements by rating listed in HU166.2 will still apply.

3. Regardless of competition rating, each Young Hunter section that is offered separately must be held separately when there is a minimum of three entries. If there are fewer than three (3) entries in a Young Hunter section that section must be combined with a contiguous fence height section of the Young Hunter. If, after combining, there are still fewer than three (3) entries in the combined section, it must be further combined with the next contiguous fence height section of the Young Hunter. In the case where there are no entries in the fence height section that bridges the gap between the two non-contiguous fence height sections those two non-contiguous fence height sections may be combined.

c. Dividing:

1. Regardless of competition rating, any Young Hunter section that is offered as a combined section must be split by fence height, and sections held separately when there is a minimum of three entries in any one fence height section provided at least three (3) entries remain in each of the other two sections, which would also be held separately, or one other combined section. Contiguous fence height sections should be combined before combining non-contiguous fence height sections.

The Competition Management may choose to combine the sections as necessary, based on the sections with the lightest entries. If sections are combined, the horses must jump the respective height of the original section entered. In addition, while the sections can be combined if entries warrant, in order for Horse of the Year points to count they must be offered separately in the prize list for Premier rated competitions (see HJ122). When sections are combined as per above, three (3) must complete for points to count.

(the "Federation") and the local rules of the competition.

I agree to be bound by the Bylaws and Rules of the Federation and the competition. I will accept as final the decision of the Hearing Committee on any question arising under the Rules, and agree to release and hold harmless the competition, the Federation, their officials, directors, and employees for any action taken under the Rules.

I represent that I am eligible to enter and/or participate under the Rules, and every horse I am entering is eligible as entered.

I also agree that as a condition of and in consideration of acceptance of entry, the Federation and/or the Competition may use or assign photographs, videos, audios, cablecasts, broadcasts, internet, film, new media or other likenesses of me and my horse taken during the course of the competition for the promotion, coverage or benefit of the competition, sport or the Federation. Horse Recordings GR1102 - The Federation maintains the only official record of winnings of horses at all Regular Competitions. To keep these records consistent, a horse should be recorded with the Federation in the same name of horse and owner under which it is exhibited at competitions. This rule will have a transition period from December 1, 2017 to November 30, 2018. During this period, animals that are not in compliance with this rule will not receive points or be eligible for Federation and/or USHJA programs and awards. After this period, all horses that are competing in classes which require USHJA registration which are not microchipped will be ineligible to compete in Federation licensed competitions. 25. ANIMAL WELFARE POLICY

Upholding the welfare of the horses exhibited here is of primary concern to the Traverse City Horse Shows LLC and Morrissey Management Group, LLC. We require that all horses be treated with kindness, respect and compassion and never be subject to mistreatment.

Owners, trainers, riders and grooms, or their agents, must use reasonable care in the handling and treatment of their horses, whether owned or placed in their care for competition or for any other purpose.

At all times for horses competing on the Flintfields Horse Park grounds we will provide for the continuous well-being of the horse by vigorously enforcing the rules of the USEF, which pertain to the welfare of the horse. Exhibitors are cautioned that GR838 (which defines the USEF's policy on abuse), GR844 (which pertains to Poling), and GR838.4a (which pertains to the Use of Whips), will be strictly enforced. Any handling and veterinary treatment should ensure the health and welfare of the horse. High standards of nutrition, health, sanitation and safety shall be encouraged and maintained at all times. Adequate provision will be made for ventilation, feeding and watering and maintaining a healthy environment. Any method of riding and training should take account of the horse as a living entity, and must not include any technique considered to be abusive. The well being of the horse must be considered above the demands of the breeders, trainers, riders, owners, dealers, organizers, sponsors or officials. Violators are subject, under the above rules, to elimination from competition and to protest or charge with resulting formal proceedings which may result in severe fines, suspensions or other penalties.

To affirm the sport of show jumping to the general public in a positive, humane light, and eliminate those training methods which may be misconstrued, we are maintaining the following policy for all horses competing on the Flintfields Horse Park grounds, starting one half hour before the first scheduled class of competition and continuing until the last scheduled class of the competition is completed:

26. POLING AND OFF-SETS:

Manual poling and/or the use of bamboo off-sets are prohibited for all horses competing at the Flintfields Horse Park grounds. Any rider, trainer, groom or any other person who is in violation of the rules set forth above will be fined \$500 for each incident and may be sus-

pending from further competition for the duration of the scheduled competition starting from the time of the incident. Any horse upon which a violation of the manual poling and/or use of bamboo off-sets rule is perpetrated will be suspended from competition for the duration of the scheduled competition. All entry fees for the classes entered during the suspended period of the horse in question will be forfeited.

27. USE OF WHIPS & SPURS:

The use of a whip by any rider at any one incident will be restricted to three lashes behind the girth. Any rider, who in the opinion of the judges, stewards or schooling supervisors, uses his whip or spurs in a cruel or excessive manner will be immediately eliminated from the class in which the incident occurred, and be suspended from further competition for a twenty-four (24) hour period starting from the time of the incident.

In the case of further violations by that exhibitor, on the same horse or another horse, the exhibitor may be barred from any or all future classes at the competition in which the violations occurred and all stabling fees, nominations fees and entry fees will be forfeited.

All incidents will be reported in the Steward's and/or Technical Delegate's Report and reviewed by USEF's Executive Director for possible further investigation and charges for hearing before USEF's National Hearing Committee.

28. EQUINE VACCINATION RULE

At Federation licensed competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinoepneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.

In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.

In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.

In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.

Competition Management may not amend or enhance vaccination requirements without prior approval of the Veterinary Committee.

29. USEF SAFE SPORT STATEMENT:

Effective immediately, any competition with the start date of September 1, 2020 and later will be required to include the following Safe Sport statement in the Rules and Regulation section of the prize list: Reminder: All USEF Life and Senior Active members, as well as participants who have regular contact with minor athletes, are required to comply with the U.S. Center for SafeSport training requirement to be eligible to participate in the competition. All participants must adhere to the U.S. Center for SafeSport Code, USEF Safe Sport Policy, and the Minor Athlete Abuse Prevention Policies. More information about these can be found at www.usef.org.

NOTICE TO ALL EXHIBITORS REGARDING HELMET RULE & EAR BUD RULES

To All Riders: Please note that the Traverse City Horse Shows would like to reiterate that the mandatory helmet rule that took effect on April 1, 2012, will continue to be enforced this year at the Flintfield Horse Park. The rule has been implemented nationwide at all USEF licensed hunter/jumper competitions.

The rule requires that anyone on horseback on the property wear a helmet at all times. This consists of anyone showing, schooling, or riding horses on and off of the show grounds, including grooms. This is a facility-wide rule.

The Traverse City Horse Shows will be enforcing the rule with the support of the United States Equestrian Federation. This is a zero tolerance policy and must be taken extremely serious as it is for the safety of everyone involved. Anyone on a horse without a helmet will be asked to dismount immediately.

Any insubordination will be penalized and the individuals will be fined and expelled from the property. Helmets must be worn at all times, so please plan accordingly. The Traverse City Horse Show would like to thank everyone for in advance for acting in accordance with the USEF rule GR801 which is stated.

The USEF rule GR801.2 reads:

It is compulsory for all persons at Federation licensed hunter, jumper or hunter/jumper competitions when mounted anywhere on the competition grounds, to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. Exception: In Hunter or Jumper classes, adults may be allowed to remove their headgear while accepting prizes and during the playing of the National Anthem only; they must refasten their headgear prior to the lap of honor. A Show Committee must bar riders without protective headgear from entering the ring for classes in which protective headgear is required and may bar any entry or person from entering the ring if not suitably presented to appear before an audience.

USEF Rule HU106.7.e & JP103.9: The unsafe use of electronic devices, as determined by the competition steward in their sole discretion, including cell phones while mounted is prohibited in all areas designated for schooling and exercise, and while lungeing horses on competition grounds. Earphone(s)/Earbud(s) are prohibited in all areas designated for schooling and exercise.
