

TRAVERSE CITY HORSE SHOWS

Food & Beverage Manager

The Food & Beverage Manager oversees the growth, operations, and performance of all bar and food programs at Flintfields Horse Park.

Bar Operations

- Develop bar concepts and spaces that enhance the competitor and spectator experience
- Plan bar layouts, builds, and equipment needs
- Manage POS systems and track bar sales
- Oversee product ordering, inventory, and tracking systems
- Create menus, pricing, and prep specifications, highlighting partner products and specials
- Hire, train, schedule, and manage staff with a focus on customer service
- Align bar operations with event schedules and peak demand periods
- Manage budgets, including costs, margins, and revenue opportunities

Food, Catering & Vendor Oversight

- Manage the TCHS Food Truck, including menus, product, staff, and budget
- Source grab-and-go food options for bars and pop-ups across the venue
- Coordinate with Mane Event Catering for VIP Club and main concession operations
- Manage outside food vendors to ensure a strong and diverse food offering throughout the season

Events & Hospitality

- Collaborate across teams to develop and execute food and beverage programs for special events
- Create turnkey bar and catering packages for corporate and hospitality experiences
- Oversee food and beverage execution for special events as needed
- Manage service in the Overlook, Cabana Coast Boxes, and other hospitality areas

Strategy & Financial Management

- Manage annual budgets and performance goals
- Develop and implement strategies to enhance the guest experience, expand offerings, control costs, and grow revenue

Position Details

- **Season:** April – mid-October, with potential to expand into a year-round role as additional events are developed
- **Compensation:** Based on experience
