## HUNTER DIVISION

**Week 2 June 10-14 USHJA Green Hunter Incentive North Central Regional Championship - see page 58**

**Platinum Performance USHJA International Hunter Derby North Central Regional Championship - see page 60**

Hunter sections may be run as back-to-back classes at management's discretion (HU125). When classes are run back-to-back, exhibitors may perform both rounds before leaving the ring. All classes will be judged on performance and soundness unless otherwise indicated. Starting orders will be produced and run in accordance with USEF Rule HU126. Courses will simulate fences found in the hunting field such as: brush, wall, in and out, oxer, post and rails, gate, aiken, panels. Individual hunter classes may be entered for 20% of the prize money offered in that class unless otherwise specified.

**In all rated hunter sections a numerical score will be given by the judges.**

**In all classes over obstacles, all horses being considered for an award must jog for soundness using either Option A or Option B below.**

Management to decide which method of jogging will be used prior to the start of each competition week. Horses/ponies that are unsound will be eliminated and ineligible for an award in that class. The judge's decision regarding soundness is final.

Option A: Horses/ponies are required to trot a circle on a loose rein at the end of each over fences performance. Horses/ponies may be asked to return to the ring and trot another circle at the judge's discretion.

Option B: Horses/ponies will be jogged together with the rider unmounted in the judge's order of preference. Two additional entries in addition to the number of ribbons must jog if there are sufficient entries. Horses/ponies may be asked to re-jog at the judge's discretion. A horse/pony may not leave the ring until the job has been declared official by the judge, or it will be eliminated. A horse that is unruly, one that breaks away from the handler or one whose actions threaten to endanger the rider, handler, other exhibitors or their entries will be eliminated. (Exception: Hunter Breeding and Pony Breeding). A horse may not be eliminated for receiving outside assistance in the jog. In classes restricted to ponies a junior must jog the pony for soundness.

**All sections that may be combined will be done 24 hours prior to the division start.**

See Page 66 for Zone 5 Specifications.

See Page 67 USEF rules for combining and dividing sections.

**Tuesday/Wednesday Warm-Up's will be held in the Main Hunter Ring and Hunter Ring 2 for \$45 per round.**

**Warm - Up's \$45 per round when offered**

If the Performance Hunter 3'6" and the Performance Hunter 3'3" sections have fewer than three entries after they have been combined they may be further combined with the High Performance Hunter section.

2. If there are fewer than three entries in the High Performance Hunter section it must first be combined with the Performance Hunter 3'6" section or the Green Hunter 3'9" section (or with Green Hunter 3'6"/3'9" if offered combined). If the High Performance Hunter section is combined with the Performance Hunter 3'6" section it may then further be combined with the Performance Hunter 3'3" section, but may not be combined with the Green Hunter section(s).

3. When the High Performance Hunter section is combined with the Performance Hunter section the following applies:

a. When combining High Performance Hunter with Performance Hunters, the combined sections must offer the same number of classes offered by the Performance Hunter section(s) with which it is combined.

b. When combining High Performance Hunter with another section, if different amounts of prize money or entry fees were offered in the original sections, the combined sections will use the lower amount for both prize money and entry fees.

4. When the High Performance Hunter section is combined with the Green Hunter section the following applies:

a. If, after combining, there are still fewer than three entries in the combined section, it must be further combined with the Green Hunter 3'6" section

b. If combined Green Hunter sections have fewer than three entries, they must be combined with High Performance Working Hunter.

c. A horse that is eligible for more than one section must be declared and compete in only one. Horses will jump the respective height for the entered section.

d. When combining High Performance Working Hunter with another section, if different amounts of prize money or entry fees were offered in the original sections, the combined sections will use the lower amount for both prize money and entry fees.

e. When combining a section of High Performance Hunter with either a section of Green Hunter 3'6", Green Hunter 3'9", or both, the combined sections must offer the same number of classes offered by the Green Hunter section(s) with which it is combined. In addition, a section entry fee will be required and individual classes may no longer be entered for the combined section.

f. The High Performance Hunter section may be combined with a combined Green Hunter 3'6"/3'9" section but may not be combined with any Green Hunter 3'3" or 3'0 sections.

c. Dividing:

1. In Performance Hunter, High Performance Hunter and any other sections where individual classes may be entered, the sections may only be divided after thirty (30) horses have competed in the first over fences class. Subsequent classes may be divided once twelve (12) horses have competed in each class. For Championships, see HU154.

## Green Hunter

a. Number to hold separate sections: three (3).

b. Combining:

1. Green Hunter section(s) may not be combined with any other hunter section(s). (Exception: The High Performance Hunter section may be combined with the Green Hunter 3'6" and 3'9" sections, see HU164.1)

2. Regardless of competition rating, each Green Hunter section that is offered separately must be held separately when there is a minimum of three entries.

3. If there are fewer than three entries in a Green Hunter section, that section must be combined with a contiguous fence height section of the Green Hunter.

4. If, after combining, there are still fewer than three (3) entries in the combined section, it must be further combined with the next contiguous fence height section of the Green Hunter.

5. In the case where there are no entries in the fence height section that bridges the gap between the two non-contiguous fence height sections those two non-contiguous fence height sections may be combined.

6. If Premier or National rated Green Hunter 3'0" and/or 3'3" sections are combined with Premier or National rated Green Hunter 3'6" and/or Green Hunter 3'9" sections a Handy Hunter class is not required. The combined sections must meet class number requirements for Premier or National rated Green Hunter 3'6" and Green Hunter 3'9" and use the lower amount for both prize money and entry fees.

7. When the High Performance Hunter section is combined with the Green Hunter section the following applies:

a. If, after combining, there are still fewer than three entries in the combined section, it must be further combined with the Green Hunter 3'6" section

b. If combined Green Hunter sections have fewer than three entries, they must be combined with High Performance Working Hunter.

c. A horse that is eligible for more than one section must be declared and compete in only one. Horses will jump the respective height for the entered section.

d. When combining High Performance Working Hunter with another section, if different amounts of prize money or entry fees were offered in the original sections, the combined sections will use the lower amount for both prize money and entry fees.

e. When combining a section of High Performance Hunter with either a section of Green Hunter 3'6", Green Hunter 3'9", or both, the combined sections must offer the same number of classes offered by the Green Hunter section(s) with which it is combined. In addition, a section entry fee will be required and individual classes may no longer be entered for the combined section.

f. The High Performance Hunter section may be combined with a combined Green Hunter 3'6"/3'9" section but may not be combined with any Green Hunter 3'3" or 3'0 sections.

c. Dividing:

1. Regardless of competition rating, any Green Hunter section that is offered combined must be split by fence height, and sections held separately when there is a minimum of three entries in any one fence height section provided at least three (3) entries remain in each of the other two sections, which would also be held separately, or as one other combined section. Contiguous fence height sections should be combined before combining non-contiguous fence height sections.

## Young Hunter

a. Number to hold separate sections: three (3). b. Combining:

1. Young Hunter section(s) may not be combined with any other Hunter section.

2. At Competition Management's discretion, and with at least three (3) Young Hunters entered in any section, the Young Hunter Section(s) may run concurrently with the corresponding Green Hunter height section or Combined Green Hunter Section. Horses that are entered in both the Young Hunter and Green Hunter section(s) will be eligible for awards in both sections. Horses that are not entered in both sections will only be eligible for awards in the section in which they are entered. If there are fewer than three (3) entries in any of the Young Hunter section(s) they must be combined for awards per HU166.3. A separate entry fee for the Young Hunter Section will apply. The Green Hunter section requirements by rating listed in HU166.2 will still apply.

3. Regardless of competition rating, each Young Hunter section that is offered separately must be held separately when there is a minimum of three entries. If there are fewer than three (3) entries in a Young Hunter section that section must be combined with a contiguous fence height section of the Young Hunter. If, after combining, there are still fewer than three (3) entries in the combined section, it must be further combined with the next contiguous fence height section of the Young Hunter. In the case where there are no entries in the fence height section that bridges the gap between the two non-contiguous fence height sections those two non-contiguous fence height sections may be combined.

c. Dividing:

1. Regardless of competition rating, any Young Hunter section that is offered as a combined section must be split by fence height, and sections held separately when there is a minimum of three entries in any one fence height section provided at least three (3) entries remain in each of the other two sections, which would also be held separately, or one other combined section. Contiguous fence height sections should be combined before combining non-contiguous fence height sections.

## Green Conformation Hunter 3'6" and High Performance Conformation Hunter a. Number to hold separate sections: three (3).

b. Combining:

1. The Green Conformation Hunter 3'6" may only be combined with the High Performance Conformation Hunter. The High Performance Conformation Hunter may only be combined with the Green Conformation Hunter 3'6".

2. When offered as two sections, if there are fewer than three (3) horses in either the Green Conformation 3'6" or the High Performance Conformation section they must be combined.

3. When combining Green Conformation Hunter with High Performance Conformation Hunter, if different amounts of prize money or entry fees were offered in the original sections, the combined section will use the lower amount for both prize money and entry fees.

c. Dividing: If there are three (3) or more horses in each Conformation section they must be held separately.

## Junior Hunter

a. Number to hold separate sections: four (4) in each section. If four (4) compete and only three (3) complete (i.e. one is eliminated or retires) points will be awarded as per GR 1113.

b. Combining:

1. The Junior Hunter 3'6", Junior Hunter 3'3", Amateur Owner Hunter 3'6", and Amateur Owner Hunter 3'3" sections may only be combined with other Junior Hunter or Amateur Owner Hunter sections.

2. At Premier, National or Regional rated competitions if there are fewer than three (3) entries in the Amateur Owner 3'3", the Amateur Owner 3'6", the Junior Hunter 3'3" or the Junior Hunter 3'6" sections, Competition Management may choose to combine the sections. The Competition Management may choose to combine the sections as necessary, based on the sections with the lightest entries. If sections are combined, the horses must jump the respective height of the original section entered. In addition, while the sections can be combined if entries warrant, in order for Horse of the Year points to count they must be offered separately in the prize list for Premier rated competitions (see HJ122). When sections are combined as per above, three (3) must complete for points to count.

3. It is recommended that when competitions anticipate 50 horses or more this section be divided by age of rider or height of horse when prize list is prepared.

c. Dividing:

1. When divided, sections must be split using one of the methods from HU161 Methods of Dividing.

2. If there are 50 or more entries in the section at the beginning of the first class it must be divided and the prize money must be doubled.

3. If there are 50 or more entries remaining in a section after it has been divided, the section must be redivided and the prize money must be doubled. Once a section has been redivided it may be divided further if management so desires.

4. If the Junior Hunter sections are divided by height of animal, they must be divided into Large and Small. Premier rated Junior Hunter 3'6" sections at Premier rated competitions must be offered as four sections (large/younger, large/older, small/younger, small/older).

5. If there are four (4) or more entries in each divided section, the divided sections must be held separately. If there are fewer than four (4) entries in any sections divided by age and/or height of animal, those sections must be combined with other sections. If there is a minimum of twelve (12) entries once any sections have been combined, the newly combined section must be redivided.

## Amateur Owner Hunter

a. Number to hold separate sections: four (4) in each section. If four (4) compete and only three (3) complete (i.e. one is eliminated or retires) points will be awarded as per GR 1113.

3'3" sections may only be combined with other Amateur Owner Hunter or Junior Hunter sections.

See below for conditions.

2. At Premier, National or Regional rated competitions if there are fewer than three (3) entries in the Amateur Owner 3'3", the Amateur Owner 3'6", the Junior Hunter 3'3" or the Junior Hunter 3'6" sections, competition management may choose to combine the sections. The competition management may choose to combine the sections as necessary, based on the sections with the lightest entries. If sections are combined, the horses must jump the respective height of the original section entered. In addition, while the sections can be combined if entries warrant, in order for Horse of the Year points to count they must be offered separately in the prize list for Premier rated competitions (see HJ121). When sections are combined as per above, three (3) must complete for points to count.

3. At Premier, National or Regional rated competitions if there are fewer than three (3) entries in the Amateur Owner 3'3", the Amateur Owner 3'6", the Junior Hunter 3'3" or the Junior Hunter 3'6" sections, these sections may be combined. The competition management may choose to combine the classes as necessary, based on the sections with the lightest entries. (See HU162 & HU160 for definition of a Floating and California Split.) When using a floating split the age groups must be posted at the competition office. Rider age must be given on the entry blank.

Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

## 25. ANIMAL WELFARE POLICY

Upholding the welfare of the horses exhibited here is of primary concern to the Travers City Horse Shows LLC and Morrissey Management Group, LLC. We require that all horses be treated with kindness, respect and compassion and never be subject to mistreatment.

Owners, trainers, riders and grooms, or their agents, must use reasonable care in the handling and treatment of their horses, whether owned or placed in their care for competition or for any other purpose.

At all times for horses competing on the Flintfields Horse Park grounds we will provide for the continuous well-being of the horse by vigorously enforcing the rules of the USEF, which pertain to the welfare of the horse. Exhibitors are cautioned that GR838 (which defines the USEF's policy on abuse), GR843 (which pertains to Poling), and GR839 (which pertains to the Use of Whips), will be strictly enforced. Any handling and veterinary treatment should ensure the health and welfare of the horse. High standards of nutrition, health, sanitation and safety shall be encouraged and maintained at all times. Adequate provision will be made for ventilation, feeding and watering and maintaining a healthy environment. Any method of riding and training should take account of the horse as a living entity, and must not include any technique considered to be abusive. The well being of the horse must be considered above the demands of the breeders, trainers, riders, owners, dealers, organizers, sponsors or officials. Violators are subject, under the above rules, to elimination from competition and to protest or charge with resulting formal proceedings which may result in severe fines, suspensions or other penalties.

To affirm the sport of show jumping to the general public in a positive, humane light, and eliminate those training methods which may be misconstrued, we are maintaining the following policy for all horses competing on the Flintfields Horse Park grounds, starting one half hour before the first scheduled class of competition and continuing until the last scheduled class of the competition is completed:

## 26. POLING AND OFF-SETS: (GR843)

Manual poling and/or the use of bamboo off-sets are prohibited for all horses competing at the Flintfields Horse Park grounds. Any rider, trainer, groom or any other person who is in violation of the rules set forth above will be fined \$500 for each incident and may be suspended from further competition for the duration of the scheduled competition starting from the time of the incident. Any horse upon which a violation of the manual poling and/or use of bamboo off-sets rule is perpetrated will be suspended from competition for the duration of the scheduled competition. All entry fees for the classes entered during the suspended period of the horse in question will be forfeited.

## 27. USE OF WHIPS & SPURS: (GR839)

The use of a whip by any rider at any one incident will be restricted to three lashes behind the girth. Any rider, who in the opinion of the judges, stewards or schooling supervisors, uses his whip or spurs in a cruel or excessive manner will be immediately eliminated from the class in which the incident occurred, and be suspended from further competition for a twenty-four hour period starting from the time of the incident.

In the case of further violations by that exhibitor, on the same horse or another horse, the exhibitor may be barred from any or all future classes at the competition in which the violations occurred and all stabling fees, nominations fees and entry fees will be forfeited.

All incidents will be reported in the Steward's and/or Technical Delegate's Report and reviewed by USEF's Executive Director for possible further investigation and charges for hearing before USEF's National Hearing Committee.

## 28. EQUINE VACCINATION RULE (GR844)

At Federation licensed competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.

In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.

In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.

In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.

Competition Management may not amend or enhance vaccination requirements without prior approval of the Veterinary Committee.

**29. SAFESPORT TRAINING - Reminder:** All USEF Life and Senior Active members, as well as participants who have regular contact with minor athletes, are required to comply with the U.S. Center for SafeSport training requirement to be eligible to participate in the competition. All participants must adhere to the U.S. Center for SafeSport Code, USEF Safe Sport Policy, and the Minor Athlete Abuse Prevention Policies. More information about these can be found at [www.usef.org](http://www.usef.org).

## NOTICE TO ALL EXHIBITORS REGARDING HELMET RULE & EAR BUD RULES

To All Riders: Please note that the Flintfield Horse Shows would like to reiterate that the mandatory helmet rule that took effect on April 1, 2012, will continue to be enforced this year at the Flintfield Horse Park. The rule has been implemented nationwide at all USEF licensed hunter/jumper competitions.

The rule requires that anyone on horseback on the property wear a helmet at all times. This consists of anyone showing, schooling, or riding horses on and off of the show grounds, including grooms. This is a facility-wide rule.

The Traverse City Horse Shows & Flintfields Entertainment LLC will be enforcing the rule with the support of the United States Equestrian Federation. This is a zero tolerance policy and must be taken extremely serious as it is for the safety of everyone involved. Anyone on a horse without a helmet will be asked to dismount immediately.

Any insubordination will be penalized and the individuals will be fined and expelled from the property. Helmets must be worn at all times, so please plan accordingly. The Traverse City Horse Show would like to thank everyone for in advance for acting in accordance with the USEF rule GR801 which is stated.

The USEF rule GR801.2 reads:

It is compulsory for all persons at Federation licensed hunter, jumper or hunter/jumper competitions when mounted anywhere on the competition grounds, to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. Exception: In Hunter or Jumper classes, adults may be allowed to remove their headgear while accepting prizes and during the playing of the National Anthem only; they must refasten their headgear prior to the lap of honor. A Show Committee must bar riders without protective headgear from entering the ring for classes in which protective headgear is required and may bar any entry or person from entering the ring if not suitably presented to appear before an audience.

USEF Rule HU157 & JP103: The use of any device with ear bud(s) while mounted is prohibited in all hunter and jumper schooling rings.
