-------------	---	--

Declaration: Team declarations to show must be made no later than 4:00 p.m. the Thursday before the class is held. Declarations received after 4:00 p.m. will be accepted at management's discretion.

Rules: The competition takes place over two rounds, over the same course on the same day. The top six (6) teams to return to the second round. Judged under FEI Table A with both rounds against the clock.
At least three teams must take part for the competition to take place. Horses may not have competed in any 1.30m or greater competition during the same week. A full team comprises four Athletes each riding the same Horse throughout the Competition and a designated Chef D'Equipe. If a team cannot provide a team of four Athletes it may enter a team of three Athletes. All members of each team must take part in the first round, except as stated in paragraph below.
If a team, comprising four Athletes, cannot improve its placing in the first or second round after its third Athlete has completed their course, the fourth Athlete may be withdrawn. When a team can only provide three Athletes and three Horses, the team must start their three Athletes and Horses in both rounds.
In the event of an accident or illness to an Athlete and/or Horse, between the submission of the declaration and one hour before the start of the Competition, the Athlete and/or Horse may on production of a certificate from an officially recognised medical doctor and/or with the permission of the Veterinary Commission and after approval by the Ground Jury be replaced by another Athlete and/or Horse. In the event of substitution, the starting order remains unchanged.

Elimination and retirement
If two or more Athletes of a team, participating with four Athletes in the first or second round, are eliminated or retire, the whole team is eliminated in the respective round. If one Athlete of a team, participating with three Athletes in the first or second round, is eliminated or retires, the whole team is eliminated in the respective round. Teams eliminated in the second round will be placed equal last in the second round and are eligible to receive prize money. Refer to JRs Art. 264.1.5 for details relating to prize money in the second round.
If a team is qualified to take part in the second round, an Athlete eliminated or retired in the first round may start in the second round. In the event that a team qualified for the second round has an Athlete who did not take part in the first round due to a fall of the Athlete and/or Horse prior to crossing the start line, the combination is not eliminated from the first round and is listed in the results as "did not start". In such a case the Athlete must be checked by the Event's medical service (or by a medical doctor if the medical service is not available), respectively the Horse must be cleared by the Veterinary Delegate before they may be permitted to start in the second round. The Ground Jury reserves the right to exclude an Athlete who has fallen from participating further in the Competition and/or the Event in accordance with Article 140.2 of the FEI General Regulations. Refer to JRs Art. 264.1.5 for details relating to prize money for teams eliminated in the second round.
In case of a fall in the practice arena, the Ground Jury will give the Athlete in question a new starting position if considered necessary.
A team, which is qualified to take part in the second round, may only withdraw from the second round with permission of the Ground Jury. In this case the team will not receive prize money and will be placed according to its Score in the first round. It will not be replaced by another team.

Placing and classification
Classification of the teams not taking part in the second round is based on the total Penalties of the three best Athletes of each team in the first round. Teams with equality of Penalties are placed according to the combined Penalties and times of their best three athletes.
Placing of teams after the second round is decided as follows: In case of equality of Penalties for the first place, there will be a jump-off in which one Athlete per team will participate. The Chef d'Equipe determines which member of their team will participate in the jump-off. Any one of the four team members, respectively three team members if applicable, may take part in the jump-off. The jump-off takes place against the clock over a minimum of six obstacles.
In case of equality of Penalties and time after the jump-off, the teams concerned will be placed equal first.

Teams with equality of total Penalties for other places after the second round are placed according to the total Penalties of their best three Athletes in both rounds and the combined times of their best three Athletes in the second round. In case of equality of total Penalties and combined times in the second round, the teams concerned will be separated by the combined times of their three best Athletes in the first round.

Starting Order: The starting order of the teams in the first round is determined by a draw in the presence of the Ground Jury and Chef D'Equipe. The draw will take place at a time fixed by management and will be announced.

All the number ones start first in succession, then all the number twos and so on. The Chefs d'Equipe of teams comprising only three Athletes may choose in which of the three positions out of four they will start their Athletes.

The starting order of the teams in the second round will be in the reverse order of the total Penalties in the first round of the best three Athletes in each team. In case of equality of Penalties the teams will start in reverse order of the combined Penalties and times of their best three Athletes in the first round.

The Athletes in each team start in the same order as in the first round.

Attire: Formal attire is required. See General Rules and Regulations.

Week II is a World Championship Hunter Rider Program competition & Hunter Spectacular Central

Week IV hosts a Platinum Performance USHJA International Hunter Derby presented by Copper Fox

Premier rated weeks I, II, III, IV / National rated weeks V & VI

Hunter sections may be run as back-to-back classes at management's discretion (HU125). When classes are run back-to-back, exhibitors may perform both rounds before leaving the ring. All classes will be judged on performance and soundness unless otherwise indicated. Starting orders will be produced and run in accordance with USEF Rule HU126. Courses will simulate fences found in the hunting field such as: brush, wall, in and out, oxer, post and rails, gate, aiken, panels. Individual hunter classes may be entered for 20% of the prize money offered in that class unless otherwise specified.

In all rated hunter sections a numerical score will be given by the judges.

In all classes over obstacles, all horses being considered for an award must jog for soundness using either Option A or Option B below. Management must state in the competition prize list which method of jogging will be used. Horses/ponies that are unsound will be eliminated and ineligible for an award in that class. The judge's decision regarding soundness is final.

Option A: Horses/ponies are required to trot a circle on a loose rein at the end of each over fences performance. Horses/ponies may be asked to return to the ring and trot another circle at the judge's discretion.

Option B: Horses/ponies will be jogged together with the rider unmounted in the judge's order of preference. Two additional entries in addition to the number of ribbons must jog if there are sufficient entries. Horses/ponies may be asked to re-jog at the judge's discretion. A horse/pony may not leave the ring until the job has been declared official by the judge, or it will be eliminated. A horse that is unruly, one that breaks away from the handler or one whose actions threaten to endanger the rider, handler, other exhibitors or their entries will be eliminated. (Exception: Hunter Breeding and Pony Breeding). A horse may not be eliminated for receiving outside assistance in the jog. In classes restricted to ponies a junior must jog the pony for soundness.

All sections that may be combined will be done 24 hours prior to the division start.

At all licensed competitions, if there are fewer than four entries in either the Performance Hunter 3'3" or Performance Hunter 3'6" they must be combined, but they cannot be combined with any other Hunter sections, except High Performance Hunter. If there are four or more entries in each Performance Hunter section, they must be held separately. If the Performance Hunter 3'6" and the Performance Hunter 3'3" sections have fewer than three entries after they have been combined they may be further combined with the High Performance Hunter section.

If there are fewer than three entries in the High Performance Hunter section it must first be combined with the Performance Hunter 3'6" section or the Green Hunter 3'9" section (or with Green Hunter 3'6"/3'9" if offered combined). If the High Performance Hunter section is combined with the Performance Hunter 3'6" section it may then further be combined with the Performance Hunter 3'3" section, but may not be combined with the Green Hunter section(s).

3. When the High Performance Hunter section is combined with the Performance Hunter section the following applies:

a. When combining High Performance Hunter with Performance Hunters, the combined sections must offer the same number of classes offered by the Performance Hunter section(s) with which it is combined.

4. When the High Performance Hunter section is combined with the Green Hunter section the following applies:

a. If, after combining, there are still fewer than three entries in the combined section, it must be further combined with the Green Hunter 3'6" section

b. If combined Green Hunter sections have fewer than three entries, they must be combined with High Performance Working Hunter.

c. A horse that is eligible for more than one section must be declared and compete in only one. Horses will jump the respective height for the entered section.

d. When combining High Performance Working Hunter with another section, if different amounts of prize money or entry fees were offered in the original sections, the combined sections will use the lower amount for both prize money and entry fees.

e. When combining a section of High Performance Hunter with either a section of Green Hunter 3'6", Green Hunter 3'9", or both, the combined sections must offer the same number of classes offered by the Green Hunter section(s) with which it is combined. In addition, a section entry fee will be required and individual classes may no longer be entered for the combined section.

c. Dividing:

1. In Performance Hunter, High Performance Hunter and any other sections where individual classes may be entered, the sections may only be divided after thirty (30) horses have competed in the first over fences class. 3. If there are fewer than three entries in a Green Hunter section, that section must be combined with a contiguous fence height section of the Green Hunter.

4. If, after combining, there are still fewer than three (3) entries in the combined section, it must be further combined with the next contiguous fence height section of the Green Hunter.

5. In the case where there are no entries in the fence height section that bridges the gap between the two non-contiguous fence height sections those two non-contiguous fence height sections may be combined.

6. If Premier or National rated Green Hunter 3'0" and/or 3'3" sections are combined with Premier or National rated Green Hunter 3'6" and/or Green Hunter 3'9" sections a Handy Hunter class is not required. The combined sections must meet class number requirements for Premier or National rated Green Hunter 3'6" and Green Hunter 3'9" and use the lower amount for both prize money and entry fees.

b. If combined Green Hunter sections have fewer than three entries, they must be combined with High Performance Working Hunter.

c. A horse that is eligible for more than one section must be declared and compete in only one. Horses will jump the respective height for the entered section.

d. When combining High Performance Working Hunter with another section, if different amounts of prize money or entry fees were offered in the original sections, the combined sections will use the lower amount for both prize money and entry fees.

e. When combining a section of High Performance Hunter with either a section of Green Hunter 3'6", Green Hunter 3'9", or both, the combined sections must offer the same number of classes offered by the Green Hunter section(s) with which it is combined. In addition, a section entry fee will be required and individual classes may no longer be entered for the combined section.

f. The High Performance Hunter section may be combined with a combined Green Hunter 3'6"/3'9" section but may not be combined with any Green Hunter 3'3" or 3'0 sections.

c. Dividing:

1. Regardless of competition rating, any Green Hunter section that is offered com-

bined must be split by fence height, and sections held separately when there is a minimum of three entries in any one fence height section provided at least three (3) entries remain in each of the other two sections, which would also be held separately, or as one other combined section. Contiguous fence height sections should be combined before combining non-contiguous fence height sections.

Young Hunter

a. Number to hold separate sections: three (3). b. Combining:

1. Young Hunter section(s) may not be combined with any other Hunter section.

2. At Competition Management's discretion, and with at least three (3) Young Hunters entered in any section, the Young Hunter Section(s) may run concurrently with the corresponding Green Hunter height section or Combined Green Hunter Section. Horses that are entered in both the Young Hunter and Green Hunter section(s) will be eligible for awards in both sections. Horses that are not entered in both sections will only be eligible for awards in the section in which they are entered. If there are fewer than three (3) entries in any of the Young Hunter section(s) they must be combined for awards per HU166.3. A separate entry fee for the Young Hunter Section will apply. The Green Hunter section requirements by rating listed in HU166.2 will still apply.

3. Regardless of competition rating, each Young Hunter section that is offered separately must be held separately when there is a minimum of three entries. If there are fewer than three (3) entries in a Young Hunter section that section must be combined with a contiguous fence height section of the Young Hunter. If, after combining, there are still fewer than four (4) entries in the combined section, it must be further combined with the next contiguous fence height section of the Young Hunter. In the case where there are no entries in the fence height section that bridges the gap between the two non-contiguous fence height sections those two non-contiguous fence height sections may be combined.

c. Dividing:

1. Regardless of competition rating, any Young Hunter section that is offered as a combined section must be split by fence height, and sections held separately when there is a minimum of three entries in any one fence height section provided at least three (3) entries remain in each of the other two sections, which would also be held separately, or one other combined section. Contiguous fence height sections should be combined before combining non-contiguous fence height sections.

Green Conformation Hunter 3'6" and High Performance Conformation Hunter a. Number to hold separate sections: three (3).

b. Combining:

1. The Green Conformation Hunter 3'6" may only be combined with the High Performance Conformation Hunter. The High Performance Conformation Hunter may only be combined with the Green Conformation Hunter 3'6".

2. When offered as two sections, if there are fewer than three (3) horses in either the Green Conformation 3'6" or the High Performance Conformation section they must be combined.

3. When combining Green Conformation Hunter with High Performance Conformation Hunter, if different amounts of prize money or entry fees were offered in the original sections, the combined section will use the lower amount for both prize money and entry fees.

c. Dividing: If there are three (3) or more horses in each Conformation section they must be held separately.

Junior Hunter

a. Number to hold separate sections: four (4) in each section. If four (4) compete and only three (3) complete (i.e. one is eliminated or retires) points will be awarded as per GR 1113.

b. Combining:

1. The Junior Hunter 3'6", Junior Hunter 3'3", Amateur Owner Hunter 3'6", and Amateur Owner Hunter 3'3" sections may only be combined with other Junior Hunter or Amateur Owner Hunter sections.

See below for conditions.

2. At Premier, National or Regional rated competitions if there are fewer than three (3) entries in the Amateur Owner 3'3", the Amateur Owner 3'6", the Junior Hunter 3'3" or the Junior Hunter 3'6" sections, Competition Management may choose to combine the sections. The competition management may choose to combine the sections as necessary, based on the sections with the lightest entries. If sections are combined, the horses must jump the respective height of the original section entered. In addition, while the sections can be combined if entries warrant, in order for Horse of the Year points to count they must be offered separately in the prize list for Premier rated competitions (see HJ122). When sections are combined as per above, three (3) must complete for points to count.

3. It is recommended that when competitions anticipate 50 horses or more this section be divided by age of rider or height of horse when prize list is prepared.

c. Dividing:

1. When divided, sections must be split using one of the methods from HU161 Methods of Dividing.

2. If there are 50 or more entries in the section at the beginning of the first class it must be divided and the prize money must be doubled.

3. If there are 50 or more entries remaining in a section after it has been divided, the section must be redivided and the prize money must be doubled. Once a section has been redivided it may be divided further if management so desires.

4. If the Junior Hunter sections are divided by height of animal, they must be divided into Large and Small. Premier rated Junior Hunter 3'6" sections at Premier rated competitions must be offered as four sections (large/younger, large/older, small/younger, small/older).

5. If there are four (4) or more entries in each divided section, the divided sections must be held separately. If there are fewer than four (4) entries in any sections divided by age and/or height of animal, those sections must be combined with other sections. If there is a minimum of twelve (12) entries once any sections have been combined, the newly combined section must be redivided.

Amateur Owner Hunter

a. Number to hold separate sections: four (4) in each section. If four (4) compete and only three (3) complete (i.e. one is eliminated or retires) points will be awarded as per GR 1113.

b. Combining:

1. The Amateur Owner Hunter 3'6", Amateur Owner Hunter 3'3", Junior Hunter 3'6", and Junior Hunter

3'3" sections may only be combined with other Amateur Owner Hunter or Junior Hunter sections.

See below for conditions.

2. At Premier, National or Regional rated competitions if there are fewer than three (3) entries in the Amateur Owner 3'3", the Amateur Owner 3'6", the Junior Hunter 3'3" or the Junior Hunter 3'6" sections, competition management may choose to combine the sections. The competition management may choose to combine the sections as necessary, based on the sections with the lightest entries. If sections are combined, the horses must jump the respective height of the original section entered. In addition, while the sections can be combined if entries warrant, in order for Horse of the Year points to count they must be offered separately in the prize list for Premier rated competitions (see HJ121). When sections are combined as per above, three (3) must complete for points to count.

3. At Premier, National or Regional rated competitions if there are fewer than three (3) entries in the Amateur Owner 3'3", the Amateur Owner 3'6", the Junior Hunter 3'3" or the Junior Hunter 3'6" sections, these sections may be combined. The competition management may choose to combine the classes as necessary, based on the sections with the lightest entries. If sections are combined, the horses must jump the respective height of the original section entered.

c. Dividing:

1. Amateur Owner 3'6" When a section is divided, one section must be offered for amateurs 18-35 and one section for amateurs over 35 years of age. If there are four (4) or more entries in each divided section, the divided sections must be held separately. If there are fewer than four (4) entries in either divided section, they must be combined. If there are a minimum of 12 entries once the sections are combined, the newly combined section must be redivided using either a Floating or California Split. (See HU162 & HU160 for definition of a Floating and California Split.) When using a floating split the age groups must be posted at the competition office. Rider age must be given on the entry blank.

When divided as to age of rider no horse may compete in more than one section. These sections may be further divided by age of rider or by every other number.

2. Amateur Owner 3'3" When a section is divided, one section must be offered for amateurs 18-35 and one section for amateurs over 35 years of age. If there are four (4) or more entries in each divided section, the divided sections must be held separately. If there are fewer than four (4) entries in either divided section, they must be combined. If there are a minimum of 12 entries once the sections are combined, the newly combined section must be re-divided using either a Floating or California Split. (See HU164 & HU162 for definition of a Floating and California Split.) When using a floating split the age groups must be posted at the competition office. Rider age must be given on entry blank. When divided as to age of rider no horse may compete in more than one section. These sections may be further divided by age of rider or by every other number.

Pony Hunter

a. Number to hold separate sections: three (3). b. Combining:

1. The Regular Pony Hunter Section may not be combined with any other sections.

2. Height sections may be combined if there are fewer than three (3) in any height section. Combined height sections should be either small/medium or medium/large but if possible not small/large. c. Dividing:

1. Classes for Pony Hunters may be divided by height of pony as outlined in HU141.

2. If there are 50 or more entries in the division at the beginning of the first class, it must be divided by height of pony and prize money must be doubled.

3. If there are 50 entries remaining in a section after the section has been divided by height of pony, the section must be re-divided by every other number and the prize money must be doubled.

4. Once a section has been re-divided it may not be divided further.

5. If a pony under saddle class has over 30 entries, the class must be split and held in at least two sections with one set of awards.

6. If there are a minimum of 10 small/medium ponies combined and 10 large ponies in any Regional rated Regular or Green height Section, the height section must be divided (small/medium and large); if there is a total of thirty (30) ponies, prize money must be doubled.

Federation Entry Agreement - By entering a Federation-licensed Competition and signing this entry blank as the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaultor or Longeur and on behalf of myself and my principals, representatives, employees and agents, I agree that I am subject to the Bylaws and Rules of The United States Equestrian Federation, Inc. (the "Federation") and the local rules of the competition.

I agree to be bound by the Bylaws and Rules of the Federation and the competition. I will accept as final the decision of the Hearing Committee on any question arising under the Rules, and agree to release and hold harmless the competition, the Federation, their officials, directors, and employees for any action taken under the Rules.

I represent that I am eligible to enter and/or participate under the Rules, and every horse I am entering is eligible as entered.

I also agree that as a condition of and in consideration of acceptance of entry, the Federation and/or the Competition may use or assign photographs, videos, audios, cablecasts, broadcasts, internet, film, new media or other likenesses of me and my horse taken during the course of the competition for the promotion, coverage or benefit of the competition, sport or the Federation. Those likenesses shall not be used to advertise a product and they may not be used in such a way as to jeopardize amateur status. I hereby expressly and irrevocably waive and release any rights in connection with such use, including any claim to compensation, invasion of privacy, right to publicity, or to misappropriation.

Horse Recordings GR1102 - The Federation maintains the only official record of winnings of horses at all Regular Competitions. To keep these records consistent, a horse should be recorded with the Federation in the same name of horse and owner under which it is exhibited at competitions. Microchip HU104: As of December 1, 2017, all horses competing in classes that require USHJA horse registration **must provide a microchip number** that verifies their animal's identity in order to compete for points, money won or be eligible for Federation and/or USHJA programs and awards where horses are required to be recorded or registered.

A microchip used to verify identity must be a fifteen digit ISO compliant 11784/11785 chip and be implanted in the nuchal ligament of the animal.

This rule will have a transition period from December 1, 2017 to November 30, 2018. During this period, animals that are not in compliance with this rule will not receive points or be eligible for Federation and/or USHJA programs and awards. After this period, all horses that are competing in classes which require USHJA registration which are not microchipped will be ineligible to compete in Federation licensed competitions. Exceptions: USHJA Outreach and those activities enumerated in GR901.9, items 1-9.

To be eligible to participate at Federation Licensed Competitions, all persons acting as coaches or trainers, and legal guardians signing entry blanks as coaches or trainers on behalf of their minors must be Senior Active Members in good standing.

The eligibility requirement for foreign participants went into effect on September 1, 2023, and under this requirement, foreign participants are no longer permitted to participate in USEF national competitions by merely demonstrating good standing with their own National Federation. A few important notes on this:

- Foreign Participants will now be required to join USEF as Competing Members.
- Those individuals 18 years of age and older must take SafeSport Training to be eligible to participate in USEF national competitions.
- For those participating in FEI events only, this requirement does not apply.
- This requirement has been in effect since September 1, 2023, for all foreign com-

In this case, in order to qualify for a credit, a scratch sheet must be filled out and presented to the Secretary prior to the start of the class or classes being scratched. In addition, an Official Veterinarian Certificate must be filled out and signed by the Official Competition Veterinarian, certifying the illness or injury, and presented to the Secretary no later than one hour after the final class of the competition.
- b) In all jumper classes in which a declaration to compete is made, once the class has started, the entry fee as stated in the Prize List will be charged whether the horse is shown or not. Upon timely receipt of the scratch form, the entry fee will be credited.
- c) \$100 of the nomination fee will be refunded to the owners of horses that have been scratched (scratch sheet) twenty-four hours prior to the start of the competition. If the horse is scratched within 24 hours to the start of the competition, an Official Veterinarian's Certificate filled out and signed by the Official Competition Veterinarian must be presented to the Secretary prior to the conclusion of the last class of the competition in order to obtain this refund. If a horse is scratched after competing in any class at the competition, no refund of the nominating fee will be given.

- b) Traverse City Horse Shows LLC, Morrissey Management Group LLC, Flintfields Horse Park LLC, Flintfields Entertainment, LLC, and their officials and employees will not be held responsible for any lost, stolen or damaged packages received / delivered to the show grounds.
- c) "All owners and competitors are personally responsible for damages to third persons caused by themselves, their employees, their agent or their horses. They are therefore strongly advised to take out third party insurance providing full coverage for participation in equestrian events at home and abroad, and to keep the policy up to date."

23. **PARKING PASSES:** All exhibitor vehicles and trailers that enter the grounds are required to have a PARKING PASS. Passes will be provided and are FREE to participants. Parking is allowed in designated areas only. Illegally parked vehicles will be towed at owner's expense.

Motorized Vehicles that are NOT Street Legal will be allowed on Bates Road.

Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

25. ANIMAL WELFARE POLICY

Upholding the welfare of the horses exhibited here is of primary concern to the Traverse City Horse Shows LLC and Morrissey Management Group, LLC. We require that all horses be treated with kindness, respect and compassion and never be subject to mistreatment. Owners, trainers, riders and grooms, or their agents, must use reasonable care in the handling and treatment of their horses, whether owned or placed in their care for competition or for any other purpose.

At all times for horses competing on the Flintfields Horse Park grounds we will provide for the continuous well-being of the horse by vigorously enforcing the rules of the USEF, which pertain to the welfare of the horse. Exhibitors are cautioned that GR838 (which de-

fines the USEF's policy on abuse), GR843 (which pertains to Poling), and GR839.4a (which pertains to the Use of Whips), will be strictly enforced. Any handling and veterinary treatment should ensure the health and welfare of the horse. High standards of nutrition, health, sanitation and safety shall be encouraged and maintained at all times. Adequate provision will be made for ventilation, feeding and watering and maintaining a healthy environment. Any method of riding and training should take account of the horse as a living entity, and must not include any technique considered to be abusive. The well being of the horse must be considered above the demands of the breeders, trainers, riders, owners, dealers, organizers, sponsors or officials. Violators are subject, under the above rules, to elimination from competition and to protest or charge with resulting formal proceedings which may result in severe fines, suspensions or other penalties.

To affirm the sport of show jumping to the general public in a positive, humane light, and eliminate those training methods which may be misconstrued, we are maintaining the following policy for all horses competing on the Flintfields Horse Park grounds, starting one half hour before the first scheduled class of competition and continuing until the last scheduled class of the competition is completed:

26. POLING AND OFF-SETS:

Manual poling and/or the use of bamboo off-sets are prohibited for all horses competing at the Flintfields Horse Park grounds. Any rider, trainer, groom or any other person who is in violation of the rules set forth above will be fined \$500 for each incident and may be suspended from further competition for the duration of the scheduled competition starting from the time of the incident. Any horse upon which a violation of the manual poling and/or use of bamboo offsets rule is perpetrated will be suspended from competition for the duration of the scheduled competition. All entry fees for the classes entered during the suspended period of the horse in question will be forfeited.

27. USE OF WHIPS & SPURS:

The use of a whip by any rider at any one incident will be restricted to three lashes behind the girth. Any rider, who in the opinion of the judges, stewards or schooling supervisors, uses his whip or spurs in a cruel or excessive manner will be immediately eliminated from the class in which the incident occurred, and be suspended from further competition for a 24 hour period starting from the time of the incident.

In the case of further violations by that exhibitor, on the same horse or another horse, the exhibitor may be barred from any or all future classes at the competition in which the violations occurred and all stabling fees, nominations fees and entry fees will be forfeited.

All incidents will be reported in the Steward's and/or Technical Delegate's Report and reviewed by USEF's Executive Director for possible further investigation and charges for hearing before USEF's National Hearing Committee.

28. EQUINE VACCINATION RULE

At Federation licensed competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhino-pneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.

In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.

In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.

In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.

Competition Management may not amend or enhance vaccination requirements without prior approval of the Veterinary Committee.

29. **SAFESPORT TRAINING** Reminder: All USEF Life and Senior Active members, as well as participants who have regular contact with minor athletes, are required to comply with the U.S. Center for SafeSport training requirement to be eligible to participate in the competition. All participants must adhere to the U.S. Center for SafeSport Code, USEF Safe Sport Policy, and the Minor Athlete Abuse Prevention Policies. More information about these can be found at www.usef.org.

NOTICE TO ALL EXHIBITORS REGARDING HELMET RULE & ELECTRONIC DEVICE RULES

To All Riders: Please note that the Traverse City Horse Shows would like to reiterate that the mandatory helmet rule that took effect on April 1, 2012, will continue to be enforced this year at the Flintfield Horse Park. The rule has been implemented nationwide at all USEF licensed hunter/jumper competitions.

The rule requires that anyone on horseback on the property wear a helmet at all times. This consists of anyone showing, schooling, or riding horses on and off of the show grounds, including grooms. This is a facility-wide rule.

The Traverse City Horse Shows will be enforcing the rule with the support of the United States Equestrian Federation. This is a zero tolerance policy and must be taken extremely serious as it is for the safety of everyone involved. Anyone on a horse without a helmet will be asked to dismount immediately.

Any insubordination will be penalized and the individuals will be fined and expelled from the property. Helmets must be worn at all times, so please plan accordingly. The Traverse City Horse Show would like to thank everyone for in advance for acting in accordance with the USEF rule GR801 which is stated.

The USEF rule GR801.2 reads:

It is compulsory for all persons at Federation licensed hunter, jumper or hunter/jumper competitions when mounted anywhere on the competition grounds, to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. Exception: In Hunter or Jumper classes, adults may be allowed to remove their headgear while accepting prizes and during the playing of the National Anthem only; they must refasten their headgear prior to the lap of honor. A Show Committee must bar riders without protective headgear from entering the ring for classes in which protective headgear is required and may bar any entry or person from entering the ring if not suitably presented to appear before an audience.

USEF Rule HU106.7.e & JP103.9: The unsafe use of electronic devices, as determined by the competition steward in their sole discretion, including cell phones while mounted is prohibited in all areas designated for schooling and exercise, and while lungeing horses on competition grounds. Earphone(s)/Earbud(s) are prohibited in all areas designated for schooling and exercise.

Unsaddle somewhere special.
